PROGRAMME IMPLEMENTING
AUTHORITY IN THE UNIVERSITY

LEVEL : DIRECTOR, TAMILNADU STATE ADIS CONTROL SOCIETY
CHENNAI (TANSACS)

Vision

To make HIV/AIDS free India by creating awareness about the spread and cause of HIV/AIDS among the student youth , non-student youth and public.

Objectives

To reduce new HIV infection among youth by raising their risk perception through Life Skill Education and creating awareness on Sex, Sexuality and HIV/AIDS.

1. To induce among youth the spirit to help and support people living with HIV/AIDS (PLWHA) thereby reducing stigma and discrimination against people living with HIV/AIDS.
2. To motivate youth and build their capacity as peer educators and change agents by developing their skills on leadership, negotiation and team building.
3. To promote voluntary non- remunerated blood donation among youth

RRC regular activities being carried out at the college level

- Imparting 6 to 10 hour sessions on the curriculum “ Celebrating Life”
- Peer education and leadership training
- Competitions (Debates, Quiz, Drawing and Painting)
- Interactions with positive people
- Interaction with ICTC, ART, Blood Bank Medical Officers and Counselors and Transgender
- Peer leaders conventions
- Awareness campaigns (rallies, out reach activities) and exposure visit

Mandatory program

Blood Donation camp – being donated to the govt. and approved hospitals and also needy people

Regular RRC activities being carried out at the University level

- Trainers trainee program for RRC Program officers
- Peer education training program for RRC volunteer
- District wise trainers trainee program conducted at four district with different dates
- Celebrating life module program conducted for university students
- RRC volunteers certificates distributed to all RRC colleges affiliated to the university

Future programs to be implemented at the university

As per the program guidelines issued by the Tamil Nadu State AIDS Control Society, Chennai every year
